

JUNE 2014

Holiday period at Kibion and date for last order before summer.

Dear Distributor,

Summer is here and the holiday period is coming closer. We therefore would like to inform you about our holidays and date for last order before summer.

Last order date before summer

The last day of shipping before summer from **Kibion, Uppsala** will be July 4th. This means that we will need your order latest Friday **June 13th** this week.

The next possible order date after summer will be mid-August with expected shipment last week of August.

Kibion, Bremen will be able to accept orders during most of the summer, but no orders from outside of Europe can be handled from August 21st – September 10th.

Please go through you stock situation in order to be sure that you will not run out of stock during summer.

Summer holiday

The holiday period now begins in Sweden and Germany, which means that it will be difficult to reach all of us. The most critical time is July and August, when the staff will be reduced. We kindly ask for your understanding that we are not able to handle any questions out of the ordinary during these weeks.

You can, for urgent matters, of course also reach us on our mobile phones.

Finally we would like to wish you all a nice summer!

Best regards
KIBION
